Dear Supporter,

Thank you for attending our Career and Trade Expo last year at the 2014 State Leadership Meeting. All of the proceeds from the expo go towards the Georgia FCCLA Foundation. The Georgia FCCLA Foundation helps provide financial assistance for those student leaders competing in STAR Events at the national level. FCCLA has over 220,000 members nationwide and Georgia FCCLA is one of the largest state associations. We want to ensure that our students can advance in their competitive events and further their life skills.

We would like to thank you again for helping us support this cause and we hope to see you this year at the 2015 State Leadership Meeting's Career and Trade Expo. If you are interested we have attached the exhibitor information packet and look forward to seeing you again in March.
