## Family, Career and Community Leaders of America

## The Ultimate Leadership Experience

Alumni & Associates are part of a network of adults who believe in Family, Career and Community Leaders of America. Former members of FCCLA, Future Homemakers of America, and New Homemakers of America are encouraged to stay involved. Honorary FHA/HERO members, current and former Family and Consumer Sciences professionals, teachers, parents, school administrators, employers, and business and community leaders who support the mission and purposes of FCCLA are encouraged to get involved. Demonstrate your loyalty and support of FCCLA, the only Career and Technical Student Organization with the family as its central focus, by enrolling in Alumni & Associates and making a generous contribution.

## From the Director

Hello! I am excited to begin this first edition of the Alumni Newsletter, available to members of the Georgia Alumni & Associates. It is our goal and hope that this organization will serve as an outlet for those of us who have experienced the amazing opportunities FHA/HERO and FCCLA has to offer. Perhaps you could help us defer the cost of membership for some students. Maybe you have been blessed with additional time, to provide assistance as a judge or volunteer for STAR Events competitions. Let us know what you are doing, how FHA/HERO and FCCLA influenced your life and has taken you places you had never imagined. Send an email to [gafcclaalumni@gmail.com](mailto:gafcclaalumni@gmail.com) and add your name to the mailing list. Join us on Facebook, too! In whatever aspect, I hope that your excitement will continue as we take a step forward, moving toward new horizons with a stronger, more visible group of Alumni and Associates.

Thank you for all you do!

Megan Whitworth Palmer

# Breast Cancer Awareness

Breast cancer is an illness that affects us all, in some way or another. Whether it is a battle being fought personally or a friend or family member who has been diagnosed, this disease has lasting impact. In memory of those we have lost and in honor of those have fought the battle or who may still be fighting, the Georgia Association of Alumni & Associates of FCCLA have teamed up with the Student Unit of the American Association of Family & Consumer Sciences for a fundraiser. By ordering the t-shirts seen below, you are contributing to Susan G. Komen for the Cure. Please support us, and encourage those around you to support us as well! Fill out the attached form, selecting the size and type of shirt you would like! Share them with to your FCCLA chapters, friends, and family! We have tried to make something for all ages, both guys and gals! The initial deadline will be November 20, 2009. Please get the information to us as soon as possible!
