All About Me

Hello! My name is Madeline Jorge and I am your 2010-2011 Region 1 YLB Representative. I am a junior at Trion High School where I am involved in many activities. I am a member of the band where I play the French Horn/ Mellophone. In addition to being co-president of my local FCCLA chapter, I am vice-president of student council, TSA, FBLA, Spanish Club, mock trial team, FCA, and Venturing Scouts. I am also co-chair of a local organization which high school girls mentor middle school girls. This group is called WINGS.

Outside of school I enjoy being with friends, shopping, cooking, movies, and music. I especially love spending time with my family and friends and I try to be involved with my church, school, and community.
