

About Me

My name is Kelly Elizabeth Simmons. I'm the Youth Leadership Board representative for Georgia FCCLA Region 6. I am sixteen years old and will be a junior at Berrien County High School this year. I am active in FCCLA and Drama. I have been a member of FCCLA for three years and a member of the drama department for two years. I enjoy going to school and getting to meet new people. My plans are to attend SCAD (Savannah College of Art and Design) after high school to pursue a master's degree in fine arts and become a studio photographer.
